

FRANK A. DOLAN, JERSEY OFFICIAL, DIES IN HOSPITAL

Safety Director Had Been Ill
and Never Served in
Big Job.

Frank A. Dolan, thirty-four, known personally to almost every resident of Jersey City, and Director of the Department of Public Safety of that municipality, died yesterday afternoon in the Jersey City Hospital from complications which followed a long illness.

A son of Cormac Dolan, formerly with the American Sugar Refinery Company, he was graduated from St. Bridget's Parochial School, spent several successful years in business and was then elected to the Assembly in 1915. There he became Democratic minority leader.

In 1917 Mr. Dolan was appointed City Clerk, and during the early war days he supervised registration and aided in drafting of every eligible Jersey City man. His duties made him draft-exempt, but when his number was called he drafted himself

into the service. He declined to try for a commission but served throughout the war in the ranks.

Mr. Dolan resumed his City Clerkship after the war and in 1921 was reappointed. Last June, when Commissioner John Bentley was named Vice Chancellor, the remaining four City Commissioners unanimously chose Mr. Dolan to succeed him. Mr. Dolan's illness prevented him from actually serving.

He was a past State officer and a former Grand Knight of Hudson Council, Knights of Columbus, and a Past Dictator of the Jersey City Lodge of Moose. He is survived by his mother, his wife and a ten-month-old son, Frank J.

MILTON R. COX.
BORDENTOWN, N. J., Sept. 12.—Milton R. Cox, City Tax Receiver for twelve years, died at his home here today. He had been a Commissioner of Appeals and also a Township Committee member. Mr. Cox was born at Vincennes, N. J., sixty-five years ago. His wife and two children survive him.

PETER HAUCK JR.
Peter Hauck Jr., President of the Essex County Brewing Company and Home Brewing Company of Newark, N. J., died yesterday at his home in East Orange, N. J., after several months' illness. He is survived by his wife and seven children.

MRS. BENJAMIN'S FUNERAL.
The funeral of Mrs. Park Benjamin, mother of Mrs. Caruso, who died at a sanatorium in Goshen, N. Y., Monday night, will be held at 3 o'clock this afternoon in St. John's Episcopal Church, Yonkers.

FIRM TO INVEST GERMAN MARKS

F. D. Roosevelt Heads New
Company Capitalized at
600,000,000.

Organized to permit holders of German currency in the United States and Canada to convert it into tangible German assets, the United European Investors, Ltd., a corporation capitalized at \$60,000,000 marks, was announced yesterday through the Associated Press.

Franklin D. Roosevelt, former Assistant Secretary of the Navy and Democratic candidate for the Vice Presidency in 1920, has accepted the Presidency. Other members of the board are William Schall, banker; Almer J. Jenks, former Presiding Justice of the Appellate Division of the Supreme Court; Andrew Haydon, a member of the Canadian Parliament; and A. R. Roberts.

Billions of German marks now held

in the United States and Canada, it is said, in real estate, mortgages, securities and other valuable assets in Germany. The corporation will seek to bring out these marks and re-employ them in productive enterprises in Germany.

MORE MONEY ASKED BY DRY FORCE CHIEF

Anti-Saloon League Leader Pleads
for Funds to "Save Congress."

A pathetic plea for money for the Anti-Saloon League was sent out by William H. Anderson, State Superintendent, yesterday. According to the circular letter, 27,000 gay souls have failed or refused to renew their annual subscriptions to the League. Mr. Anderson lends a note of cheer to his letter by asserting that 27,000 have been found to fill their places, but he begs them to return to the fold.

"There is still time to save the Congressional situation if we have the money to get the facts to the people," the statement adds. The need for money is so great that Mr. Anderson agrees to take either pledges or three months or annual subscriptions.

Equipment Stands Idle in Discontinued Branch.

The Executive Committee on Restoring the Hudson Terminal Branch Post Office called a meeting today at 2 o'clock at the Terminal Building in the rooms formerly used by the Post Office.

The rooms were open for two hours before the meeting so all interested might look at the space and the equipment still standing in it and see that operation of the branch office might be resumed in twenty-four hours if the Post Office Department could be made to understand the need for such a step.
